

## **Rheinmetall Defence Australia** Industry Engagement Briefing

Update for distribution to industry organisations on request

#### Thank you for attending our industry engagement briefings

On behalf of Rheinmetall Defence Australia, thank you for attending our industry engagement briefings through late April and May.

A number of organisations have requested copies of selected slides provided at briefing.

We are happy to provide timelines and supplier engagement guidance relevant to industry, as requested. I have also included context around Rheinmetall globally as well as our Vehicle Systems business.

Our industry engagement activities will take place every six months at selected locations. In the interim, please don't hesitate to contact our AIC team should you have any questions or concerns about Rheinmetall industry related activities.
