

Super Series

# Online tools

## Stay on track with 3 handy super tools

Knowing where you stand is the first step towards saving more for your future.

We can help you stay on top of your super with some simple online tools. That way, you'll make the right decisions now to ensure you have enough money for your best retirement.

**Only 28% of Australians believe they've saved enough for retirement<sup>1</sup>**

### Super projection calculator

You've been building up your super, but do you know how far your balance will go in retirement?

Our super projection calculator makes predicting your future savings simple. In just a minute or two, you can see:

- the amount of money you could retire with,
- how long your super could last, and
- the difference adding a few extra dollars could make when you retire.

## Online account

AustralianSuper members can manage the details of their super in one secure spot.

If you're a member and you haven't set up online access to your account, it only takes about four minutes.

Simply head to the AustralianSuper website to get started and have your member number handy.

### Keeping your super safe

AustralianSuper has measures in place to ensure your account is secure. But there's more you can do to protect your privacy and identity.

## Mobile app

The AustralianSuper mobile app lets you manage your super anywhere, anytime.

If you're a member, you'll need to do the following:

**Step 1** - Register for online access to your account.

**Step 2** - Once you have access, download the mobile app.

Be notified when a payment goes into your account

View your account balance and fees

Add to your super via Direct Debit or BPAY

View your insurance cover

Change the way your account is invested

Update your account details

## See how much you could retire with
